## Now Accepting Nominations: 2024 Pinnacle Awards for Outstanding Accomplishments

The Pinnacle Awards **recognizes the best of the best at Brink's**, and it's time to begin submitting nominations for the 2024 global awards program.

You can nominate the exceptional achievements you participated in or observed **using the entry form link below**.

The deadline to submit a nomination is **midnight ET on Feb. 21, 2025**.

All Brink's employees, *excluding the Executive Leadership Team (direct reports of Mark Eubanks)*, can participate, as individuals or as part of a team.

The categories were updated for 2024 to align with Brink's strategy to fuel growth by providing a superior customer experience and driving continuous improvement.

Pinnacle Award winners will receive a trophy for their branch or head office and an individual commemorative pin, in addition to a celebratory event.

Thank you for all you do for Brink's!

**We encourage you to nominate the great work you observed or participated in.**

# News You Can Use

## Why is Preventative Care Important?

Preventive care emphasizes the prevention and **early detection of health issues**.

An **annual physical exam** allows your physician to assess your current health status, review your medical history and identify potential health risks.

During the exam, your doctor will measure vital signs like blood pressure, assess your weight and discuss lifestyle factors, such as diet and exercise. These discussions help you set and achieve health goals.

Your doctor may also order a lab test to check for a particular issue or health condition. Blood tests can help check for a wide range of issues.

Preparing for an annual physical may seem like a task or chore, but these visits should not be skipped and their importance should not be overlooked.

**Be sure to get your free annual physical and download the Sydney Health app by Dec. 31 to avoid a surcharge on what you pay for medical coverage in 2025.**

## Students: Apply for the 2025 Brink's Scholarship

Brink's Company Scholarship Program applications will be accepted by Scholarship America until **Jan. 21, 2025**.

### Let's Have a Cyber-Safe Holiday Season!

Don't let cybercriminals ruin your holiday fun! Whether you are traveling or buying or selling items online this holiday season, keep the following tips in mind.

#### **Online Threat Prevention:**

- Keep an eye out for fake coupons, unbelievable promotional deals, or even fake shipping notices.
- Cybercriminals will repeatedly spam you with notifications this season, don't let your guard down. Never assume notifications are safe.
- Only purchase and use gift cards with the authorized retailer.

#### **Travel Threat Prevention:**

- Use verified, secure Wi-Fi connections and avoid connecting to free public Wi-Fi.
- Never leave your devices unattended and always secure them with strong passwords.
- Research the legitimacy of booking sites before making travel arrangements.

**Cybercriminals will always try to trick you. Remember to stop, look, and think before taking any action!**

When in doubt, report suspicious emails using the Report Phishing Cofense button located in your Outlook toolbar.
