## Happy Holidays from Brink's

*Turkey / Food Vouchers to arrive by mail*

This has truly been a year of renewal, recovery, and resets in our daily lives and at Brink's. We are fortunate to continue the tradition of providing our teams with the gift of a turkey/food item voucher in the amount of \$20 to complement their holiday meals. The vouchers may be used to purchase meat, produce or other food items for your holiday meal, and they do not have an expiration date.

Due to our safety protocols, we will not have any holiday events to distribute the checks at our Support Center and office locations. The checks will be mailed to your home in a Brink's-branded envelope. Brink's branch leaders will distribute checks to the teams at their annual holiday lunch while adhering to safety guidelines.

We sincerely appreciate your courage and commitment to serving our valued customers. Your tireless efforts continue to drive our growth, fuel our business strategies, and make our success possible.

On behalf of the entire leadership team, thank you for being a part of Brink's.

We wish everyone a safe, healthy and happy holiday season!

Doug Pertz, President and CEO

## Expanding Inclusion with Insights

Storytelling can humanize us to one another and help us to see past our differences. When we begin to understand the why of someone's beliefs, we can move to a place of greater compassion.

To learn more about how to build inclusion through storytelling, visit this week's insights through the Brink's Proud App or OKTA.

## The Brink's Company Scholarship Program

Online applications for The Brink's Company Scholarship Program will be accepted by Scholarship America **through January 18.**

Students must enroll at an accredited two- or four-year college, university, or vocational-technical school. Awards are for undergraduate study only.

For more information see the attached flyer. Apply today!

## Cyber Hacks- Holiday Travel Tips

Cybercriminals are attempting to lure people into travel-related traps designed to steal money or credit card information. Extra caution is needed in the holiday season. Scammers will try to lure to fake flight reservation sites or click-on links in fake emails that claim to provide flight-booking confirmation updates or receipts.

Tips for avoiding travel-related cyber scams:

- Research the reputation of any company you have not dealt with before, prior to making a purchase
- Don't assume an ad or website is safe just because it looks nice or it's familiar brands
- Be cautious with any advertised travel deals that seem too good to be true
- Never click on links in an email or download attachments, unless you are certain it is safe
