Branch Status Update: Snowstorm in Buffalo, NY

The **Buffalo, New York** area is still digging out from the storm that brought as much as **77 inches** of snow to some areas.

Some areas in western New York received almost 6.5 feet of snow over the weekend.

Our branches are **open and operating**, with a few route disruptions.

In Buffalo, CIT made several route changes due to road conditions and travel bans.

CVS staff who were able to make it in Buffalo were able to work today and there was little impact to customers.

Please stay safe, adhere to the local safety guidance from authorities and monitor your area's weather conditions!
