- Winners will be announced on Friday, April 21.

Good Luck!

The earth is full of wonder and beauty! Share your best nature photo in the **Brink's Earth Day Photo Contest**. Photos need to showcase nature in honor of Earth Day.

- Email your photo to Brinks.Proud@brinksinc.com with the subject line "Earth Day Photo Contest" or submit via the Brink's Proud App – click **Share Your Story** from the homepage to submit a photo.
- Please include your full name and department or branch location. You may also include the photo's title (if applicable) and any details about the location of the photo.
- All entries must be submitted by **5 p.m., Tuesday, April 18**. You may enter up to two photos in the contest.

April is National Stress Awareness Month

April is National Stress Awareness Month, which provides an opportunity for an open conversation on the impact of stress and to remove guilt, shame and stigma around mental health.

Anthem's Employee Assistance Program (EAP) provides quick and easy access to confidential counseling and referral services to help you deal with daily work and life challenges. It's available at no cost to you, your dependents or household members.

Brink's program covers 5 face to face counseling sessions, per issue. In addition to counseling sessions, the plan also provides referral services and resources to assist with parenting, education, elder care, and more.

Please Double Check your Workday Profile!

Please take a moment to ensure that your Workday profile is accurate and complete, **specifically your Brink's cell phone number or work phone number.**

If you have been authorized to carry a Brink's company cell phone for work, please ensure the mobile number is available in your Workday profile.

If your Workday profile is inaccurate, you could be missing important information and company communications. Phone numbers are used by functions such as Operations to track down responses to inquiries from **customers, branch managers and field teams.**

Please see the attached job aid for reference or reach out to **Kelsey Davis** at Kelsey.Davis@brinksinc.com if you have any questions. Thank you!!

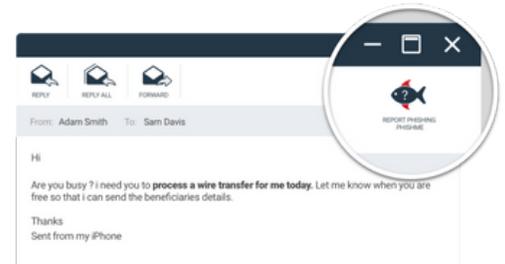

Cyber Hacks: How to React to a Suspicious Email

What Should I Do if I Receive a Suspicious Email?

If you suspect you have received or reacted to a spear-phishing email, report it immediately by selecting the email and then clicking on the **Report Phishing Cofense** button located in your Outlook toolbar.

Taking this simple action will notify the Global Information Security team (GIS) about the possible attack. If the email is a simulated phishing exercise that is part of our awareness program, you will receive instant feedback thanking you for reporting.

If the email is malicious, quick reporting will help us investigate. Your active participation is crucial to help protect our organization, **remember you are the first line of defense.** Thank you for staying vigilant. If you have any questions, please contact: gis@brinksinc.com
