

## Celebrate Pride! Update Your Email Signature

June is Pride Month, when the world's LGBTQ+ communities come together and celebrate the freedom to be themselves. **We celebrate Pride Month to recognize the contributions and achievements of the lesbian, gay, bisexual, transgender and queer (LGBTQ+) community.**

Pride gatherings are rooted in the history of minority groups who have struggled for decades to overcome prejudice and be accepted for who they are.

Pride month also welcomes allies from outside the LGBTQ+ community. Allies can show support by observing, listening, and educating themselves and others.

If you would like to show your support of the Brink's LGBTQ+ community, **you are welcome to update your email signature with the Brink's Pride/Progress logo and/or shield.**

You are also welcome to add your preferred gender pronouns to your email signature/name. By acknowledging someone with the correct gender pronouns, you are demonstrating inclusion, respect, and gender affirmation. He/Him is for those who identify as male, She/Her for those who identify as female, and They/Them for those who identify as gender neutral.

**An example signature featuring logos and pronouns, and a link to instructions are attached.** The official Brink's logos are also included to update your email signature at any time.

***Check out the "Brink's Proud for Pride" section on the Brink's Proud App to see all of the amazing LGBTQ+ trailblazers we are highlighting this month!***

Thank you for your support and Happy Pride Month!

# This Week @Work

## June is Men's Health Awareness Month

June is Men's Health Awareness Month and **June 12-18** is the official awareness week.

This time represents a national observance to raise awareness about health care for men and to encourage boys, men and their families to practice healthy living decisions, such as exercise, a balanced diet and annual physician exams.

Men's Health Month is a time for men to take control of their health, and for families to teach young boys healthy habits that could impact their life.

## Cyber Hacks: Malware & Ransomware 101

**Malware** is malicious software that can infect your device causing it to become unusable and take control of your devices to attack other organizations and obtain credentials that allow access to your organizations.

**Ransomware** can steal, delete, or encrypt data. The computer may get locked, or the data stored on it may be stolen, destroyed, or encrypted.

**Malware and Ransomware can spread and infect other computers on the network.** The attacker sends the victim a message to follow a set of instructions to make a payment. Even if you pay the ransom, there is no guarantee that you will get access to your computer or files.

### ***How to Help Defend Against Malware and Ransomware:***

- Back up your data on a regular basis to avoid the fear of having your vital files locked or lost.
- Always keep your anti-virus software up to date.
- Do not download cracked or unauthorized software on work devices as these usually contain hidden Malware or Ransomware.
- Surf safely by paying attention to the links you click on.
- Only use secure networks and avoid public Wi-Fi networks.
- Stay up to date on the most recent ransomware and malware threats by **completing security awareness training** that teaches you how to avoid phishing and other social engineering attacks.

## Remembering Megan DeVille, Letecia and Stella

We are deeply saddened to share that Brink's U.S. Client Care Manager, Megan DeVille, passed away in a tragic accident at home on May 21.

Megan joined the company in 2017 and was promoted to Client Care Manager in October 2022. She will be remembered at Brink's for her strong work ethic and determination to succeed. Megan truly enjoyed her role and being a member of the Customer Experience team, and also spending time with her beloved Great Dane, Stella. Sadly, Megan's mother, Letecia, and Stella, also passed away in the tragic accident.

The U.S. and Brink's flags in the COSC lobby have now been lowered in remembrance of Megan, Letecia and Stella.

During incredibly sad and difficult times like these, the Brink's family always comes together to support each other. Please visit the obituary link below to leave condolences, memories and tributes.

Our hearts and deepest sympathies go out to the DeVille family and to our Customer Experience team members – please keep them in your thoughts.
