2023 Pinnacle Award Nominations are Open

The Pinnacle Awards, our global recognition program, recognizes the best of the best, and it's time to begin submitting nominations!

Please nominate the exceptional work you participated in or observed in 2023 using the link below. **The deadline to submit a nomination is midnight ET on January 12, 2024.**

The categories were updated for 2023 to align with Brink's strategy. We also added a new category to recognize efforts to strengthen our culture of ethics and compliance and embed them into our business.

Pinnacle Award winners will receive a trophy, a individual commemorative pin, and a celebratory event.

Welcome to Brink's, Penny!

Please welcome our new mascot "Penny," an illustrated sidekick for Perry and Cash.

Penny is actually Winnie, the family pet of Stacey Johnson, Trainer in Columbia, SC. In a fun contest with more than 700 votes, employees voted for their favorite cat photo to be illustrated into a new sidekick for Perry.

Let's welcome Penny to her new role at Brink's!

Get Trained, Get Ahead, Get It Done!

Brink's Global Learning and Development wants to help you focus on your self-development! We encourage employees to complete their **Success Factor Development** so you can demonstrate your new skills and share what you have learned during the annual review process.

You can access the training modules through Workday and reference the attached **Global Offering Catalog** to review training options.

If you have questions, **join one of the open forum calls attached** where Megann Marsalis will walk you through how to review your mid-year conversation document, leverage the training catalog for offerings, and access the training in workday.

Share your learning experience with shelby.tepera@brinksinc.com to be featured in a future Dashboard.

"The best part was listening to sales professionals who use the techniques and how they can lead to success in our roles.

I also like that the training includes additional resources that we can download. It has really helped me start looking at my pipeline and opportunities in a new way."

-Kevin Biakanja, Business Development Manager
